

SOMERSET COUNCIL **BRIEFING SHEET OCTOBER 2023**

Register to vote: Residents are being urged to check their electoral registration details or risk losing their chance to vote on decisions that affect them. Letters have gone out to an initial 83,000 houses across the County and all other households will be written to later this month. Residents can tell the Council of changes and if there are new people eligible to be registered at their address, they will receive an 'invitation to register form' either through the post (or via email, if this contact method has been provided).

Go Green grants: 'Go Green Scheme' and the 'Somerset Green Business Grant Scheme' are being introduced to offer businesses help and financial support to reduce energy consumption and carbon emissions. The scheme offers free energy audits and support to develop individual, costed and prioritised sustainability plans. Grants can be capital and/or revenue and fund up to 50% of total eligible project costs, with the remainder funded by the applicant. The scheme is now open for applications for activity and expenditure which must be completed by end of March 2024. The deadline for submission is 31st October. Plastics recycling: Every piece of plastic Somerset Council collected from households and via the recycling sites last year was recycled in the UK. In total 6,500 tonnes of plastic bottles, pots, tubs and trays all went to UK companies to be turned into new products and packaging – everything from plastic wrapping and compost bins to fleece jackets. The figure is up from 99.4% the previous year.

Hosting: Autumn sees the return to university or college for many young people in Somerset, often leaving parents or carers with a sense of longed for peace and quiet. For others, a spare room gathering clutter and dust may also be ripe for a sort out and some useful employ. Hosting could be the answer, as the need continues for more host families to help support Ukrainian nationals forced to flee their homes and seek sanctuary in a new and unfamiliar setting. Since the Homes for Ukraine scheme was launched in March 2022, Somerset has welcomed over 1,500 Ukrainians to date, with host families playing a pivotal role in creating a safe environment for guests to re-settle and rebuild their lives in some way, supporting and helping them navigate a new life in the UK. BT prosecuted: British Telecommunications (BT) has been fined for carrying out work on Somerset's highway network without adequate traffic management or a valid street works permit. The utility firm was fined £12,000 and ordered to pay costs of £3,158, plus a £2,000 victim surcharge by Taunton Magistrates after it pleaded guilty to offences.
